## EXPERIENCE

**Wealth Watch Partners**  
*Web & Graphic Designer | January 2020–present*

- Organize and edit content to produce email marketing campaigns and increase engagement with our audience
- Develop event marketing campaigns specific to each event while still inline with the company's brand
- Design and produce print materials for events including posters, badges, table tents and promotional gifts
- Redeveloped document design (including business cards, letterhead, brochures) for cohesive brand style

**Wild Berries Press**  
*Founder | 2019–present*

- Design, print and produce small batches of books in various binding methods (saddle-stitched, perfect-bound, spiral-bound, among others)
- Manage the distribution of products and provide customer service at various distribution points

**LBJSC Marketing**  
*Graphic Designer | 2018–2019*

- Assessed design briefs and produced diverse design assets for clients, examples including posters, t-shirts, social media graphics, and way-finding signs
- Collaborated with a team of creatives—videographers, photographers, designers, curators and social media coordinators—to create digital assets that could be used on multiple platforms
- Communicated with clients to assess design goals, provided design drafts and efficiently made edits according to the clients' needs

**San Antonio Current**  
*Graphic Design Intern | 2018*

- Conceptualized and designed print and digital advertisements for the San Antonio Current's wide variety of clients
- Maintained and worked within branding guidelines to create assets for established branding campaigns
